

Covid Guidelines**These are subject to change in line with Government and AGB guidelines**

Please travel to the event alone or with other competitors from your household. Archers that require a scorer or supporter to pull arrows must bring someone from within their social bubble.

All entrants will be expected to maintain social distancing throughout the event.

Before attending the tournament please ask yourself the following questions:

- Do you have a high temperature?
- Do you have a new, continuous cough?
- Do you have a loss of, or change to, your sense of smell or taste?
- Are you in a household or bubble with someone who has tested positive for Covid-19 in the past 14 days?
- Have you been asked to self-isolate?

If the answer to any of these is yes, then you must not attend the competition.

Please provide whatever PPE you feel comfortable with and bring your own hand sanitiser. We will also have sanitiser stations on the field and outside the toilets.

The judges will conduct equipment inspections by sight only

Scopes may be left on the line if there is room to do so, but they should not be shared.

Archers should only pull their own arrows.

Agree at the beginning of the shoot who will be scoring the arrows, there will be 2 score boards for each target

A field plan will be issued nearer the date.
